

学特Ⅱ 英語 解答

1. (1) ②                      (2) ③                      (3) ①                      (4) ②                      (5) ②  
    1                              2                              3                              4                              5

2. (1) ③                      (2) ②                      (3) ④                      (4) ②                      (5) ③  
    6                              7                              8                              9                              10

3. (1) ③                      (2) ②                      (3) ③                      (4) ③                      (5) ①  
    11                             12                             13                             14                             15

4. (1) ③                      (2) ③                      (3) ④                      (4) ②                      (5) ②  
    16                             17                             18                             19                             20

5. (1) ③                      (2) ④                      (3) ②                      (4) ④                      (5) ①  
    21                             22                             23                             24                             25

(6) ②                      (7) ③                      (8) ①                      (9) ④                      (10) ②  
    26                             27                             28                             29                             30

6. (1) ⑥                      ③                      ④                      ①                      ⑤                      ②  
    31                      32                      33                      34                      35                      36

(2) ⑤                      ①                      ④                      ②                      ③                      ⑥  
    37                      38                      39                      40                      41                      42

(3) ③                      ⑥                      ④                      ①                      ②                      ⑤  
    43                      44                      45                      46                      47                      48

(4) ⑤                      ①                      ④                      ③                      ②                      ⑥  
    49                      50                      51                      52                      53                      54

(5) ③                      ⑥                      ①                      ⑤                      ②                      ④  
    55                      56                      57                      58                      59                      60
